NEW HOME & AUTO MAINTENANCE AIR COMPRESSORS

مركز البراغي والعدد
BOLTS & TOOLS CENTER

BTGO

NEW HOME & AUTO MAINTENANCE AIR COMPRESSORS

200 PSI ADVANTAGE

**MORE POWER =
40% Longer Air Tool Run Time**

Based on initial tank fill of 200 PSI compared to an initial tank fill of 150 PSI max on same size tank; assumes tool operation to 90 PSI

**200
PSI**

Finish more projects with
AIR POWER

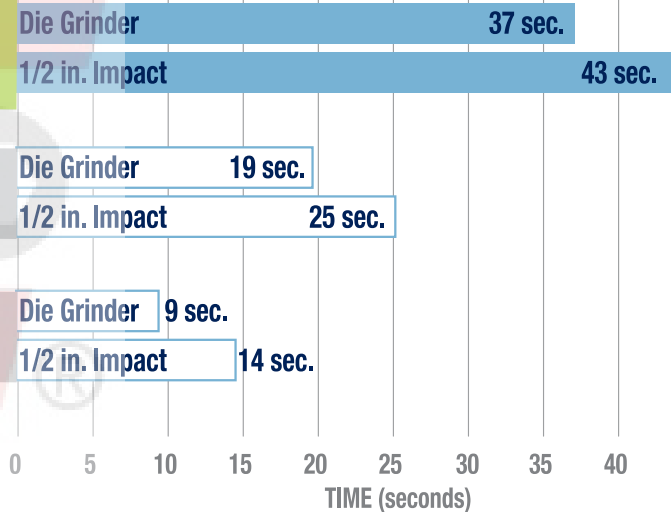

FASTER & EASIER AUTO OIL CHANGE

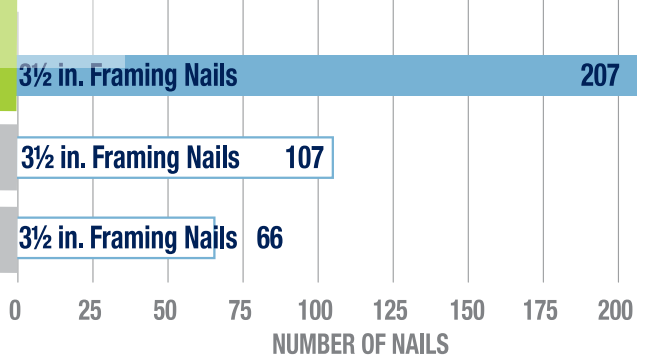

- 1 Use 3/8 in. ratchet with 13mm, 14mm, 15mm, 16mm, 17mm and 19mm impact sockets for easy removal of your vehicle's oil drain plug
- 2 Use 8 quart capacity oil catch pan with easy pour spout.
- 3 Use 3/8 butterfly impact wrench with oil filter wrench for easy removal of your vehicle's oil filter
- 4 Use funnel for easy refilling of the oil pan of your vehicle

**MORE POWER
200 PSI**

**MORE POWER
200 PSI**

NEW 200 PSI HOME & AUTO MAINTENANCE AIR COMPRESSORS

8 Gallon 200 PSI HG3000

200 PSI • 3.5 SCFM@40 PSI 2.5 SCFM@90 PSI • 120 Volts

- One compressor - Over 60 projects! Ideal for cleaning your workbench, inflating tires, engine repair, replacing brakes, lawn equipment maintenance and more!
- 2 inch pressure gauge and regulator knob makes it easier to adjust air pressure and easier to read
- No maintenance oil-free pump
- Compact vertical design saves space in your garage and/or workshop

15 Gallon 200 PSI HJ3001

200 PSI • 4.7 SCFM@40 PSI 3.7 SCFM@90 PSI • 120 Volts

- One compressor - Over 80 projects! Ideal for cleaning your workbench, inflating tires, engine repair, replacing brakes, lawn equipment maintenance and more!
- 2 inch pressure gauge and regulator knob makes it easier to adjust air pressure and easier to read
- No maintenance oil-free pump
- Compact vertical design saves space in your garage and/or workshop

15 Gallon 200 PSI Kit HJ300199

200 PSI • 4.7 SCFM@40 PSI 3.7 SCFM@90 PSI • 120 Volts

- One compressor - Over 80 projects! Ideal for cleaning your workbench, inflating tires, engine repair, replacing brakes, staining decks and fences and more!
- No maintenance oil-free compressor pump design
- Oil Change Kit (3/8 in. drive oil filter wrench, 6 impact sockets 3/8 in. drive for drain plug removal, 8 Quart capacity oil drain pan with pour spout, and funnel), 3/8 in. to 1/2 in. drive adapter, 1/2 in. drive, 3/4 in. - 13/16 in. SAE Flip Socket with 3 in. Extension to remove most common size lug nuts, 3/8 in. X 25 ft. air hose, coupler 1/4 in. industrial style female, 3 plugs 1/4 in. industrial style male, 2 plugs 1/4 in. industrial style female, and thread sealant tape

20 Gallon 200 PSI HJ3002

200 PSI • 4.7 SCFM@40 PSI 3.7 SCFM@90 PSI • 120 Volts

- One compressor - Over 100 projects! Ideal for cleaning your workbench, inflating tires, engine repair, replacing brakes, staining decks and fences and more!
- 2 inch pressure gauge and regulator knob makes it easier to adjust air pressure and easier to read
- No maintenance oil-free pump
- Compact vertical design saves space in your garage and/or workshop

20 Gallon Auto Maintenance and Repair Kit HJ300299

200 PSI • 4.7 SCFM@40 PSI 3.7 SCFM@90 PSI • 120 Volts

- One compressor - Over 100 projects! Ideal for cleaning your workbench, inflating tires, engine repair, replacing brakes, staining decks and fences and more!
- 2 inch pressure gauge and regulator knob makes it easier to adjust air pressure and easier to read
- Compact vertical design saves space inside your garage or workshop
- No maintenance oil-free compressor pump design
- Oil Change Kit (3/8 in. drive oil filter wrench, 6 impact sockets 3/8 in. drive for drain plug removal, 8 quart capacity oil drain pan with pour spout, and funnel), 3/8 in. to 1/2 in. drive adapter, 1/2 in. drive, 3/4 in. - 13/16 in. SAE flip socket with 3 in. extension to remove most common size lug nuts, 3/8 in. X 25 ft. air hose, coupler 1/4 in. industrial style female, 3 plugs 1/4 in. industrial style male, 2 plugs 1/4 in. industrial style female, and thread sealant tape

NEW HOME & AUTO MAINTENANCE AIR COMPRESSORS

8 Gallon Oil-Free HU50000DI

150 PSI • 5.5 SCFM@40 PSI 3.8 SCFM@90 PSI • 120 Volts

- One compressor - Over 60 projects! Ideal for: Tire rotation, engine repair, cleaning workbench, inflating tires, replacing brakes, lawn equipment maintenance, etc.
- Easy-to-access pressure gauge and regulator knob
- No maintenance oil-free pump

8 Gallon Oil-Free w/ Air Tool Kit HU500098DI

150 PSI • 5.5 SCFM@40 PSI 3.8 SCFM@90 PSI • 120 Volts

- One compressor - Over 60 projects! Ideal for: Tire rotation, engine repair, cleaning workbench, inflating tires, replacing brakes, lawn equipment maintenance, etc.
- Easy-to-access pressure gauge and regulator knob
- No maintenance oil-free pump
- Includes: Ratchet, air hose, impact wrench, 9 pc socket set, plugs, coupler, blow gun, blow gun whip hose with tire inflator, inflation nozzle, (2) inflation needles, OSHA safety blow gun tip, pencil tire gauge, thread sealant tape

8 Gallon Oil-Free w/ Air Tool Kit HU500099

150 PSI • 5.5 SCFM@40 PSI 3.8 SCFM@90 PSI • 120 Volts

- One compressor - Over 60 projects! Ideal for: Tire rotation, engine repair, cleaning workbench, inflating tires, replacing brakes, lawn equipment maintenance, etc.
- Easy-to-access pressure gauge and regulator knob
- No maintenance oil-free pump
- Includes: Blow gun, air hose, blow gun whip hose with valve, inflation nozzle blow gun tip, inflation needles, blow gun tip, pencil tire gauge, industrial steel coupler, steel male plug, steel female plug

15 Gallon Oil-Lube HL5516

125 PSI • 4.5 SCFM@40 PSI 3.7 SCFM@90 PSI • 120 Volts

- One compressor - Over 80 projects! Ideal for: Tire rotation, engine repair, cleaning workbench, inflating tires, replacing brakes, lawn equipment maintenance, etc.
- Easy-to-access pressure gauge and regulator knob
- Includes: Tire Inflation Gun, Air Hose, Impact Wrench, SAE Flip Socket, Plugs, Coupler, thread sealant tape

20 Gallon Oil-Free HU3510

125 PSI • 4.5 SCFM@40 PSI 3.5 SCFM@90 PSI • 120 Volts

- One compressor - Over 100 projects! Ideal for: Cleaning workbench, inflating tires, tire rotation, engine repair, repair or replace brakes, lawn equipment maintenance, etc.
- 2 inch pressure gauge and regulator knob makes it easier to adjust air pressure and easier to read
- No maintenance oil-free pump

20 Gallon Oil-Free HU502000AV

150 PSI • 5.5 SCFM@40 PSI 3.8 SCFM@90 PSI • 120 Volts

- One compressor - Over 100 projects! Ideal for: Cleaning workbench, inflating tires, tire rotation, engine repair, repair or replace brakes, lawn equipment maintenance, etc.
- Easy to access regulator knob and gauges
- No maintenance oil-free pump

HOME & AUTO MAINTENANCE AIR COMPRESSORS

8 Gallon Oil-Free HM7100

125 PSI • 3.5 SCFM@40 PSI 2.5 SCFM@90 PSI • 120 Volts

- One compressor - Over 60 projects! Ideal for: Cleaning workbench, inflating tires, tire rotation, engine repair, repair or replace brakes, lawn equipment maintenance, etc.
- 2 inch pressure gauge and regulator knob makes it easier to adjust air pressure and easier to read
- No maintenance oil-free pump
- NEW CH Easy Tank Drain makes it easy and convenient to empty the water from inside your tank to help prevent corrosion

NEW! RAPID INFLATION TECHNOLOGY WHY WAIT?

START INFLATING NOW

No need to wait for tank to fill!

84843 12/09

8 Gallon Oil-Free HM711000DI

125 PSI • 3.5 SCFM@40 PSI 2.5 SCFM@90 PSI • 120 Volts

- One compressor - Over 60 projects! Ideal for: Cleaning workbench, inflating tires, tire rotation, engine repair, repair or replace brakes, lawn equipment maintenance, etc.
- 2 inch pressure gauge and regulator knob makes it easier to adjust air pressure and easier to read
- No maintenance oil-free pump
- NEW CH Easy Tank Drain makes it easy and convenient to empty the water from inside your tank to help prevent corrosion
- The No Wait Inflation will pressurize the air hose before it begins to fill the tank

Inflation is the single largest consumer application for DIY air compressors at an astounding **70%**. Consumers today have to turn the power on to their compressor and **wait 2.5 minutes** for the compressor tank to fill up before use. **NO MORE!** The **No Wait™ Inflation** will pressurize the air hose before it begins to fill the tank. This means as soon as the power is turned on, the compressor is ready for the consumer's inflation project.

HOME & AUTO MAINTENANCE AIR COMPRESSORS

8 Gallon Oil-Free Wall Mount WL6750

150 PSI • 5.6 SCFM@40 PSI 3.8 SCFM@90 PSI • 120 Volts

- One compressor - Over 60 projects! Ideal for: Tire inflation, engine repair, painting lawn furniture, etc
- Easy-to-access tank drain - conveniently removes moisture and prevents corrosion. Oil-free pump
- 3 inch oversize regulator knob features soft touch points
- Wall mount brackets allow for easy storage

13 Gallon Oil-Free WL6501

150 PSI • 5.6 SCFM@40 PSI 3.8 SCFM@90 PSI • 120 Volts

- One compressor - Over 80 projects! Ideal for: Tire inflation, engine repair, painting lawn furniture, etc
- Easy-to-operate controls with descriptive icons and oversized gauges for quick reference
- Large air reservoir for extra storage during heavy-duty tasks around the home
- Maintenance-free oil-free pump with a durable shroud covering hot/moving parts
- Built-in tool and accessory storage helps organize the garage

20 Gallon Oil-Free WL6502

150 PSI • 5.6 SCFM@40 PSI 3.8 SCFM@90 PSI • 120 Volts

- One compressor - Over 100 projects! Ideal for: Tire inflation, engine repair, painting lawn furniture, etc
- Easy-to-operate controls with descriptive icons and oversized gauges for quick reference
- Large air reservoir for extra storage during heavy-duty tasks around the home
- Maintenance-free oil-free pump with a durable shroud covering hot/moving parts
- Built-in tool and accessory storage helps organize the garage

26 Gallon Oil-Free WL6111

150 PSI • 5.6 SCFM@40 PSI 3.8 SCFM@90 PSI • 120 Volts

- One compressor - Over 100 projects! Ideal for: Tire inflation, engine repair, painting lawn furniture, etc
- Vertical orientation saves 50% more space
- Easy-to-operate controls with descriptive icons and oversized gauges for quick reference
- Maintenance-free oil-free pump with a durable shroud covering hot/moving parts
- Built-in tool and accessory storage helps organize the garage

26 Gallon Oil-Free WL8027

150 PSI • 6.3 SCFM@40 PSI 4.9 SCFM@90 PSI • 120 Volts

- One compressor - Over 100 projects! Ideal for: Tire inflation, engine repair, painting lawn furniture, etc
- ASME Coded tank
- Maintenance free oil-free pump
- Portable design allows user to roll unit closer to a job or onto a pickup truck for transporting

26 Gallon Oil-Free Vertical WL6506

150 PSI • 5.6 SCFM@40 PSI 3.8 SCFM@90 PSI • 120 Volts

- One compressor - Over 100 projects! Ideal for: Tire inflation, engine repair, painting lawn furniture, etc
- Easy to use and easy to read, the control panel offers complete control of air manipulation, gauge protection and protection from hot surfaces
- The “vertizontal” design allows operation in vertical or horizontal position
- Maintenance free oil-free pump
- Built-in tool and accessory storage helps organize the garage

26 Gallon Oil-Free WL6701

150 PSI • 5.6 SCFM@40 PSI 3.8 SCFM@90 PSI • 120 Volts

- One compressor - Over 100 projects! Ideal for: Tire inflation, engine repair, painting lawn furniture, etc
- Easy-to-operate controls with descriptive icons and oversized gauges for quick reference
- NEW CH Easy Tank Drain makes it easy and convenient to empty the water from inside your tank to help prevent corrosion
- Maintenance free oil-free pump
- Built-in tool and accessory storage helps organize the garage. Unique tool kits store easily on top of unit (sold separately)

HOME & AUTO MAINTENANCE AIR COMPRESSORS

13 Gallon Cast Iron VT6403

135 PSI • 6.5 SCFM@40 PSI 5.5 SCFM@90 PSI • 120 Volts

- One compressor - Over 80 projects! Ideal for: Engine repair, tire rotation, tire inflation, painting lawn furniture, etc
- Solid **CAST IRON**, twin cylinder, oil-lubricated pump
- Product life: up to 5,000 hours*
- Powerful 230 volt motor
- Over 30% quieter and 60 degrees cooler than aluminum pumps with cast iron sleeves

20 Gallon ASME Oil-Lubricated, 120 Volt VT6290

135 PSI • 6.5 SCFM@40 PSI 5.5 SCFM@90 PSI • 120 Volts

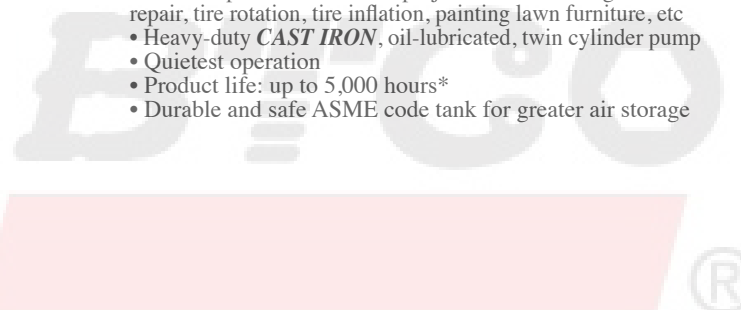

- One compressor - Over 100 projects! Ideal for: Engine repair, tire rotation, tire inflation, painting lawn furniture, etc
- Heavy-duty **CAST IRON**, oil-lubricated, twin cylinder pump
- Quietest operation
- Product life: up to 5,000 hours*
- Durable and safe ASME code tank for greater air storage

20 Gallon Cast Iron VT640600DI

135 PSI • 6.5 SCFM@40 PSI 5.5 SCFM@90 PSI • 120 Volts

- One compressor - Over 100 projects! Ideal for: Engine repair, tire rotation, tire inflation, painting lawn furniture, etc
- Solid **CAST IRON**, twin cylinder, oil-lubricated pump
- Product life: up to 5,000 hours*
- Over 30% quieter and 60 degrees cooler than aluminum pumps with cast iron sleeves
- Powers a variety of air tools for the serious do-it-yourselfer or professional

26 Gallon Cast Iron VT6407

135 PSI • 6.5 SCFM@40 PSI 5.5 SCFM@90 PSI • 120 Volts

- One compressor - Over 100 projects! Ideal for: Engine repair, tire rotation, tire inflation, painting lawn furniture, etc
- Powers a variety of air tools for the serious do-it-yourselfer or professional
- Solid **CAST IRON**, twin cylinder, oil-lubricated pump
- Product life: up to 5,000 hours*
- Over 30% quieter and 60 degrees cooler than aluminum pumps with cast iron sleeves

28 Gallon Cast Iron VT6319

135 PSI • 6.5 SCFM@40 PSI 5.5 SCFM@90 PSI • 120 Volts

- One compressor - Over 100 projects! Ideal for: Engine repair, tire rotation, tire inflation, painting lawn furniture, etc
- Heavy-duty **CAST IRON**, oil-lubricated, twin cylinder pump
- Product life: up to 5,000 hours*
- Quietest operation
- High horsepower motor capable of running on 120/240 volts

30 Gallon Cast Iron VT6358

135 PSI • 6.5 SCFM@40 PSI 5.5 SCFM@90 PSI • 120 Volts

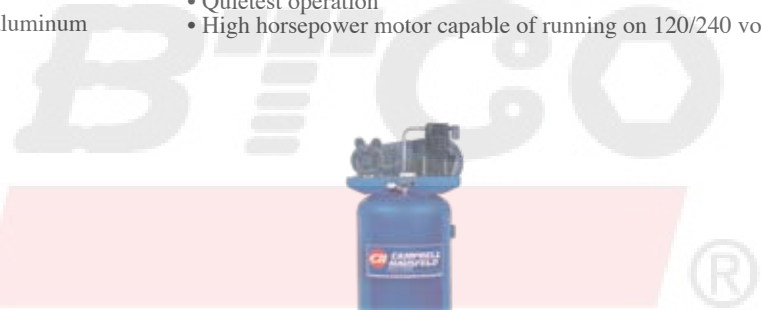

- One compressor - Over 100 projects! Ideal for: Engine repair, tire rotation, tire inflation, painting lawn furniture, etc
- Powers a variety of air tools for the serious do-it-yourselfer or professional
- Solid **CAST IRON**, twin cylinder, oil-lubricated pump
- Product life: up to 5,000 hours*
- Over 30% quieter and 60 degrees cooler than aluminum pumps with cast iron sleeves

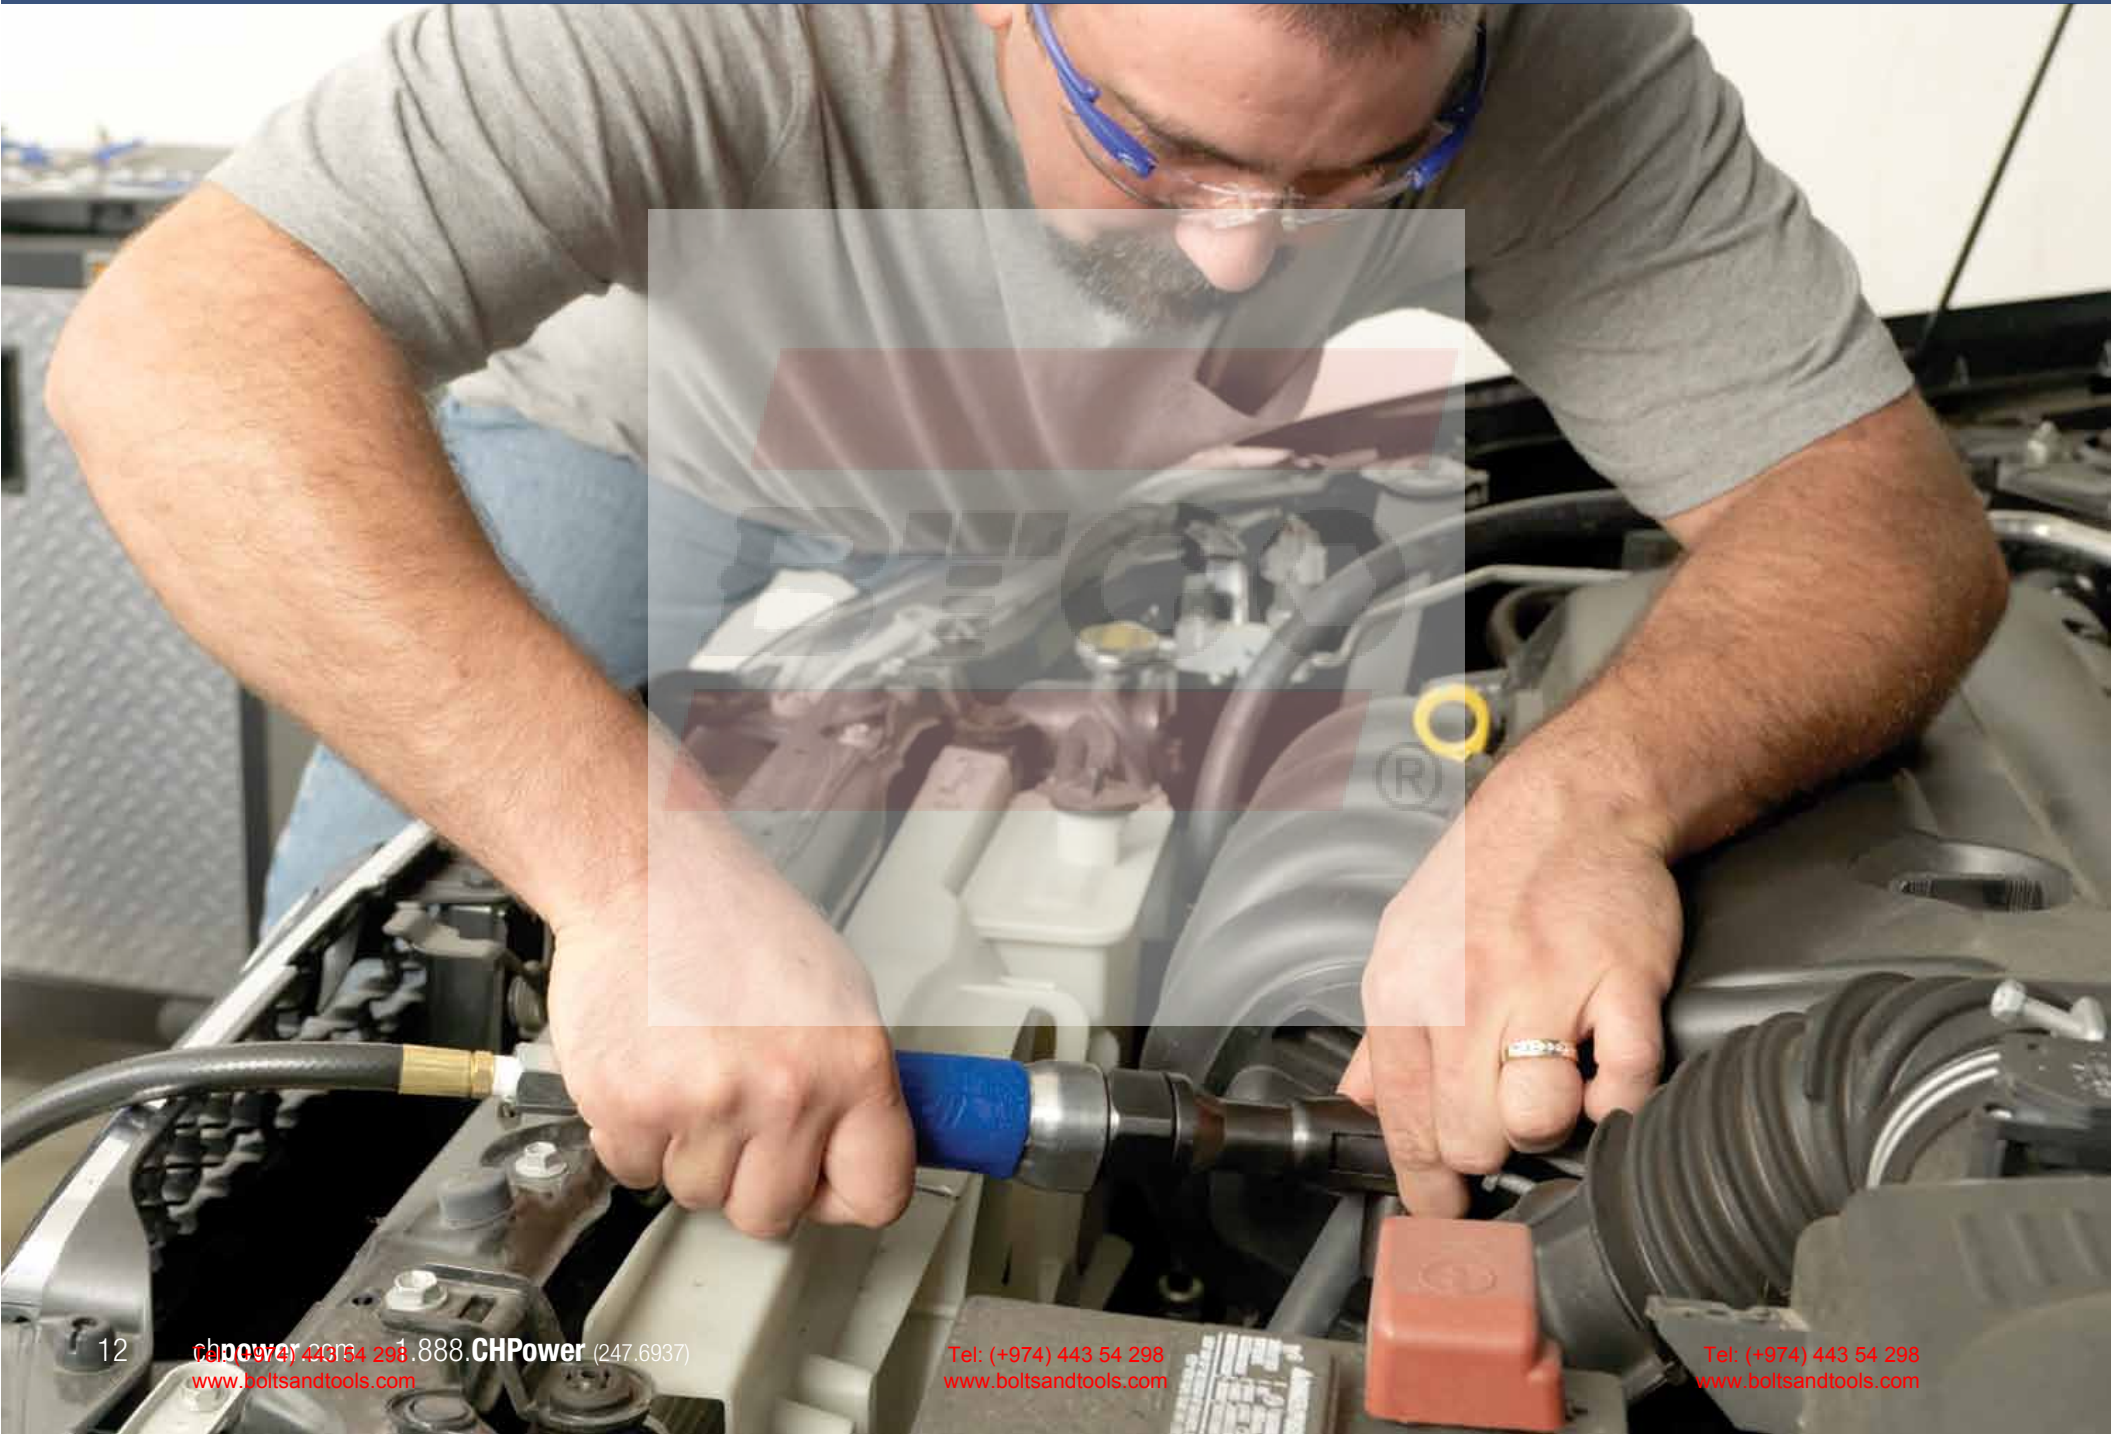

60 Gallon UL 240 Volt VT6275

135 PSI • 11.5 SCFM@40 PSI 10.2 SCFM@90 PSI • 240 Volts

- One compressor - Over 100 projects! Ideal for: Sanding, grinding, tire rotation, tire inflation, engine repair, painting lawn furniture, etc
- Solid **CAST IRON**, twin cylinder, oil-lubricated pump
- Product life: up to 5,000 hours*
- Powerful 230 volt motor
- Over 30% quieter and 60 degrees cooler than aluminum pumps with cast iron sleeves

NEW RECREATIONAL INFLATION PROJECT KITS

1 Gallon Air Compressor with Inflation Kit

FP2600

125 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- Increased PSI enables inflation of RV and larger truck tires, and road bike tires
- Features include: No slip accessory storage tray, hose hook and cord wrap
- Kit includes: Presta/Schrader® universal chuck, sports ball inflation needle, raft inflation nozzle, tire gauge, tread depth indicator, 25 ft. recoil hose, coupler and plug

1 Gallon Air Compressor with Inflation Kit

FP2601

125 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- Increased PSI enables inflation of RV and larger truck tires, and road bike tires
- Features include: No slip accessory storage tray, hose hook and cord wrap
- Kit includes: Presta/Schrader® universal chuck, sports ball inflation needle, raft inflation nozzle, tire gauge, tread depth indicator, 25 ft. recoil hose, coupler and plug

2 Gallon Air Compressor with Inflation Kit

FP2602

125 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- Increased PSI enables inflation of RV and larger truck tires, and road bike tires
- Features include: No slip accessory storage tray, hose hook and cord wrap
- Kit includes: Presta/Schrader® universal chuck, sports ball inflation needle, raft inflation nozzle, tire gauge, tread depth indicator, 25 ft. recoil hose, coupler and plug

1 Gallon Air Compressor with Recreational Inflation Kit

FP260095

125 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- Increased PSI enables inflation of RV and larger truck tires, and road bike tires
- Features include: No slip accessory storage tray, hose hook and cord wrap
- Kit includes: Presta/Schrader® universal chuck, sports ball inflation needles, raft inflation nozzle, Presta/Schrader® digital gauge, 12 volt raft inflator, and 120 volt raft inflator

ONE COMPRESSOR - OVER 25 PROJECTS!

125 PSI

MORE POWER = MORE PROJECTS

Users can now inflate RVs, larger truck tires, and road bike tires with this higher pressure pump

NEW HOME DECOR PROJECT KIT

HOME PROJECT kit

1 Gallon Air Compressor with Decor Kit & Bonus Air Brush Kit FP260096

125 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- Increased PSI enables inflation of RV and larger truck tires, and road bike tires
- Features include: No slip accessory storage tray, hose hook and cord wrap
- Kit includes: 3/8 in. upholstery stapler, pin nailer, staples, pin nails, 25 ft. hose, storage bag, project DVD, staple remover, sanding block and air brush kit

Wood Crafts – paint shadow boxes, frames, clocks, wall- hangings, jewelry boxes, trays, and other wood decorative accents

Fabric Crafts - paint custom canvases, wall hangings, chair covers, table runners, place mats, table cloths, curtains, any low nap fabric project.

Wall Painting - add custom stencils and initials to any room in your home. Add decorative faux wall finishes to walls. Touch up paint on trim, nicks in walls, or other smaller areas.

Ceramic painting – add house numbers, initials, or decorative colors to porous unfinished ceramics such as terra-cotta pots.

Upholstery – upholster head boards, dining chairs, benches, sofas, chairs, ottomans, poker tables, - any upholstered furniture

Wall Art – create decorative canvases, fabric wall hangings, fabric screens, wall art, fabric covered walls, fabric covered shelves and cubbies.

Window treatments - Make custom window cornices and shades

ONE COMPRESSOR -
OVER 25 PROJECTS!

125
PSI

MORE POWER = MORE PROJECTS

Users can now inflate RVs, larger truck tires, and road bike tires with this higher pressure pump

NEW HOME MAINTENANCE PROJECT KIT

1 Gallon Air Compressor with Fastening Kit & Bonus Caulk Gun & Drain Cleaner Kits

FP260094

125 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- Increased PSI enables inflation of RV and larger truck tires, and road bike tires
- Features include: No slip accessory storage tray, hose hook and cord wrap
- Kit includes: 3/8 in. upholstery stapler, staples, 25 ft. hose, storage bag, staple / tack remover, caulk gun, multi-use tool, caulk remover, blow gun, plug, blow gun nozzle, wire brush, utility knife and drain cleaner kit

THIS KIT MAKES IT EASY TO MAKE YOUR HOME MORE ENERGY EFFICIENT!

Sealing – baths, kitchens, baseboard and trim refresh, around windows, doors, and close any gaps that are not energy efficient around the home (around outlets, gaps in brick, stucco, masonry, or metal, etc)

Driveway Maintenance Repair - repair/prepare for sealing and filling cracks before winter sets in and ice uproots concrete

Roof Maintenance – bond loose shingles, seal leaks and openings around chimneys, skylights, dormers, flashings, roof decks, and vents

Landscape Maintenance – bonding and repairing brick, concrete, and wood timbers in retaining walls and in landscapes such as brick walkways, cap stones, etc.
clean AND/OR CLEAR drains – clean bathrooms, laundry room, and kitchen drains, unclog showers, toilets, sinks, and laundry tubs

Stapling - Screen repair, closet and self repair, roofing, carpeting, general home improvement and maintenance, upholstery maintenance

ONE COMPRESSOR - OVER 25 PROJECTS!

125 PSI

MORE POWER = MORE PROJECTS

Users can now inflate RVs, larger truck tires, and road bike tires with this higher pressure pump

NEW HOME IMPROVEMENT PROJECT KITS

1 Gallon Air Compressor with Fastening Kit & Bonus Inflation Kit FP260098

125 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- Increased PSI enables inflation of RV and larger truck tires, and road bike tires
- Features include: No slip accessory storage tray, hose hook and cord wrap
- Kit includes: 2 in. 2-in-1 Nailer/Stapler, staples, nails, nailer oil, hex wrenches, 25 ft. hose, storage bag, project DVD, tire inflation chuck, male plug and coupler

ONE COMPRESSOR -
OVER 25 PROJECTS!

125
PSI

MORE POWER = MORE PROJECTS

Users can now inflate RVs, larger truck tires, and road bike tires with this higher pressure pump

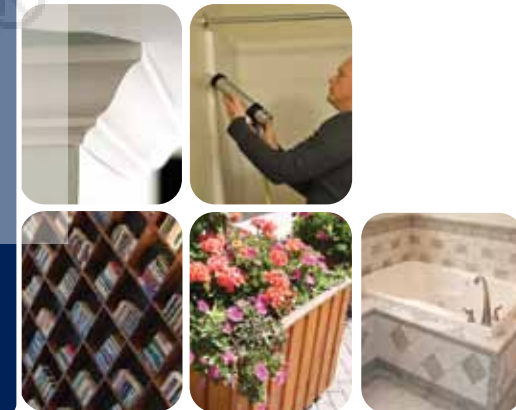

2 Gallon Air Compressor with Fastening Kit & Bonus Caulk Gun FP260097

125 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- Increased PSI enables inflation of RV and larger truck tires, and road bike tires
- Features include: No slip accessory storage tray, hose hook and cord wrap
- Kit includes: 2 in. 2-in-1 Nailer/Stapler, nails, molding bar, angle finder, speed square, level, utility knife, 25 ft. hose, storage bag, project DVD and caulk gun

ONE COMPRESSOR -
OVER 30 PROJECTS!

125
PSI

MORE POWER = MORE PROJECTS

Users can now inflate RVs, larger truck tires, and road bike tires with this higher pressure pump

EASY TO USE FEATURES

Accessory Storage

Tray with non-skid surface for quieter, more secure storage of your small accessories

Hose Hook

Simply wrap your air hose around this handy hook to keep your unit compact and organized

Clip on Power Cord

Snap the power cord into place for easy storage (like a vacuum cleaner)

Valve Cap Holder

No need to worry about losing your valve caps! Unit includes convenient valve cap storage area

1 Gallon Air Compressor FP2028

110 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- Easy-to-read gauge allows for easy monitoring of tank pressure
- Kit includes: 25 ft. recoil hose, air chuck, inflation needle, inflation needle adapter, 2 inflation nozzles

1 Gallon Air Compressor & 2-in-1 Brad Nailer/Stapler Kit FP202899

110 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- Easy-to-read gauge allows for easy monitoring of tank pressure
- Kit includes: 2-in-1 nailer/stapler, brad nails, staples, 2 hex wrenches, 2 male plugs, 25 ft. recoil hose, female coupler, air chuck, inflation needle, inflation needle adapter and 2 inflation nozzles

1 Gallon Air Compressor & 2-in-1 Brad Nailer/Stapler Kit FP209897

110 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- Easy-to-read gauge allows for easy monitoring of tank pressure
- Kit includes: 2-in-1 brad nailer/stapler, nails, staples, 25 ft. recoil hose, air chuck, 2 inflation needles, inflation needle adapter, 2 inflation nozzles, female coupler, male plug, nailer oil and hex wrenches

2 Gallon Air Compressor FP2048

100 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- Conveniently placed gauges allow for easy monitoring of air pressure
- Kit includes: Male plug, 25 ft. recoil hose, female coupler, air chuck, inflation needle, inflation needle adapter and 2 inflation nozzles

2 Gallon Air Compressor Kit FP204899

100 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- Easy-to-read gauge allows for easy monitoring of tank pressure
- Kit includes: 2-in-1 brad nailer/stapler, nails, staples, 25 ft. recoil hose, female coupler, male plug, nailer oil, hex wrenches and safety glasses

INFLATION & FASTENING AIR COMPRESSORS

2 Gallon Air Compressor FP2090

110 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- Lightweight and easy-to-carry with maintenance-free oil-less pump
- Kit includes: 25 ft. recoil hose, air chuck, inflation needle, inflation needle adapter, 2 inflation nozzles

2 Gallon Air Compressor Kit FP209097

110 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- Conveniently placed gauges allow for easy monitoring of air pressure
- Kit includes: 2-in-1 nailer/stapler, brad nails, staples, 2 hex wrenches, male plug, 25 ft. recoil hose, female coupler, air chuck, inflation needle, inflation needle adapter and 2 inflation nozzles

2 Gallon Air Compressor FP2095

110 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- Sturdy handle allows for easy portability and easy storage
- Kit includes: 25 ft. recoil hose, air chuck, inflation needle, inflation needle adapter, 2 inflation nozzles

2 Gallon Air Compressor & 2-in-1 Brad Nailer/Stapler Kit FP209592

110 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- Easy-to-read gauge allows for easy monitoring of tank pressure
- Kit includes: 2-in-1 brad nailer/stapler, nails, staples, 25 ft. recoil hose, air chuck, 2 inflation needles, inflation needle adapter, 2 inflation nozzles, female coupler, 3 male plugs, nailer oil and hex wrenches

2 Gallon Air Compressor & 2-in-1 Brad Nailer/Stapler Kit FP209599AV

110 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- Conveniently placed gauges allow for easy monitoring of air pressure
- Kit includes: 2-in-1 nailer/stapler, 500 brad nails, 500 staples, 2 hex wrenches, 1 male plug, 25 ft. recoil hose, female coupler, air chuck, inflation needle, inflation needle adapter and 2 inflation nozzles

3 Gallon Air Compressor FP209499AV

110 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- 3 gallon tank for greater stored air power. Tank eliminates the pulsations caused by piston action
- Kit includes: 25 ft. recoil hose, blow gun, 2 male plugs, female coupler, air chuck, 2 inflation needles, inflation needle adapter, 2 inflation nozzle, thread sealant tape

4 Gallon Twinstack HL5402

4.5 SCFM @ 40 PSI; 3.7 SCFM @ 90 PSI

- Oil-lubricated, **CAST IRON** cylinder compressor pump for long lasting, reliable performance
- The 1.3 running HP motor combined with the Campbell Hausfeld pump stands for high quality performance and starting capabilities
- 4 gallon twinstack tank for efficient air storage

4 Gallon Air Compressor FP2080

100 PSI

- Use for inflation, brad nailing, stapling, air brushing and more
- Conveniently placed gauges allow for easy monitoring of air pressure
- Kit includes: Male plug, 25 ft. recoil hose, female coupler, air chuck, inflation needle, inflation needle adapter and 2 inflation nozzles

6 Gallon Air Compressor Kit HM751099

3.5 SCFM @ 40 PSI; 2.5 SCFM @ 90 PSI

- Portable design with comfortable grip
- No maintenance oil-free pump
- Includes: Tire inflation gun, air hose, blow gun, pencil tire gauge, inflator nozzle blow gun tip, inflation needle, OSHA safety blow gun tip, plugs, coupler, thread sealant tape

NEW INFLATION & FASTENING AIR COMPRESSORS

6 Gallon Pancake w/ 4 Nailers MW250096DI

3.9 SCFM @ 40 PSI; 2.6 SCFM @ 90 PSI

- Easy-to-use regulator with soft touch knob
- No maintenance oil-free pump
- Compact vertical design perfect around the work site
- Includes: 2 1/2 in. 16 gauge finish nailer, 1/4 in. crown stapler, 2 in. brad nailer, pin nailer, 3/4 in. x 1/4 in. crown staples, 1 1/4 in. brad nails, pins, 1 1/2 in. 16 gauge finish nails, PVC air hose, nailer oil, hex wrenches and a storage bag

INFLATORS

Cordless Inflator

CC2410

MAX PSI: 150

- Portable inflation of tires & sports balls
- Design is perfect for home or recreational projects
- Rechargeable at home or in the car
- Built-in tire pressure gauge
- Work light provides light for nighttime emergencies
- Extra outlet provides power to run most 12 volt products
- Inflates 4 standard car tires in a single charge

Cordless Inflator

CC2300

MAX PSI: 300

- Cordless design for convenience and on-the-go inflation projects
- Portable inflation of tires & sports balls
- Rechargeable at home or in the car
- Built-in tire pressure gauge
- Extra outlet provides power to run most 12 volt products
- Inflates 4 standard car tires in a single charge

12 volt Tire Inflator

RP0650

MAX PSI: 150

- Fast, easy inflation of tires & sports balls
- Fits easily in glove box
- Plugs into standard 12 volt outlet
- Built-in tire pressure gauge

12 volt Inflator

RP1200

MAX PSI: 300

- Ideal for inflation of tires & sports balls
- Perfect for roadside emergencies
- Plugs into standard 12 volt outlet
- Fits in trunk
- On-board cord and hose storage

12 volt Inflator

RP3200

MAX PSI: 150

- Ideal for inflation of tires & sports balls
- Great safety product for car or truck
- Plugs into standard 12 volt outlet
- Built-in tire pressure gauge
- Bright work light & flashing safety light
- Auto shut-off for safer accurate inflation

12 volt Tire & Raft Inflator RP3175

MAX PSI: 150

- Ideal for inflation of tires, inflatables, toys, rafts & sports balls
- Design is perfect for home and recreational projects
- Plugs into standard 12 volt outlet
- Built-in tire pressure gauge

120 volt Inflator RP4100

MAX PSI: 200

- Ideal for inflation of tires & sports balls
- Design is perfect for home or workshop
- Plugs into standard 120 volt household outlet
- Built-in tire pressure gauge
- Easy wrap cord storage

Benefits of Properly Inflated Tires:

1. **SAVE GAS!** According to the U.S. Department of Energy, underinflated tires waste up to 3.3% of your fuel costs.
2. **PREVENT ACCIDENTS!** You are less likely to be stranded on the side of the road by keeping your tires properly inflated. According to AAA, 13% of their calls annually are tire related.
3. **EXTEND TIRE LIFE!** Properly inflated tires wear more evenly and reduce pressure on the sidewalls extending the life of your tires and tread.
